Box Elder County, Utah

Date of Inspection: June 13, 1995
Time of Inspection: 3:30 p.m.
Conditions: Partly cloudy, hot
Participants: Lynn Kunzler, DOGM

Purpose of Inspection: To document site conditions.

As I was in the general area on other inspections, I made a quick review of this quarry to document any recent activity. The Bown's have not worked this quarry since my last inspection.
